SKILLS

- Extensive experience writing technical documentation, tutorials, videos, and creating functional examples
- 20 Years front-end programming experience
- 12+ Years teaching programming to designers at a Community College
- Team Lead/Manager & Public Speaker

EXPERIENCE

Adventuring.in, San Mateo – *Author / Publisher*

JANUARY 2018 – PRESENT

Started an indie publishing company to produce (fiction and nonfiction) books and articles, promoting family outings around the San Francisco Bay Area.

Flashtalking, San Francisco – *Senior Creative Technologist*

JUNE 2013 – December 2018

Lead the Studio support team, creating training videos, training sessions, building working prototypes, troubleshooting live issues, and created documentation and prototype projects to serve clients faster. Using experience from my former role on the production team, I could quickly spot areas for improvement, leaving clients feeling more fully supported.

NomNomNom Games – *Lead Developer* – JAN 2012-JAN 2013

Managed an offshore team, streamlined development, created documentation, coded games.

College of San Mateo – *ActionScript Instructor* – AUG 2000-JUN 2012

Wrote and taught Flash & ActionScript courses for Digital Media Department students.

Context Optional (now Adobe Social) – *Flash Programmer* – AUG 2009-OCT 2011

Worked with Rails Developers (integrating flash projects) to make Facebook contests.

Mixercast – *Senior Flash Engineer* – APR 2008-OCT 2009

Customized Facebook ads and coordinated with remote teams for platform improvements.

Eveo – *Senior ActionScript Programmer / Team Lead* – AUG 2006-APR 2008

Created pharmaceutical presentations.

Orange Design – *ActionScript (Game) Developer* – NOV 2005-JUL 2006

Developed game cartridges for the Leapfrog Leapster device.

Antenna Audio – *Multimedia Programmer* – JUN 2004-NOV 2005

Created Interactive Multimedia Museum Tours.

EDUCATION

College of San Mateo, San Mateo, CA – *A.A. Multimedia* – 2000

University of Illinois, through Coursera – *Certificate in Instructional Design Foundations and Applications* Multimedia – 2021
